Food Hygiene Rating 5

The safety check of ingredients produced by external contractors is conducted based on the information provided by the suppliers/manufacturers. While we take steps to minimize the risk of cross contamination, menu items that do not contain any allergens are prepared in the same kitchen and may still contain a trace amount of allergens. Customers are requested to make an informed decision and Baba Ganoush will not assume any liability for adverse reactions to food consumed, or items one may come in contact with while eating our products. For any further information please contact eat@babaganoush.co.uk
